The Principal,

August Kranti Marg,
New Delhi-110049.

Madam,

This is in response to the letter from UDSC, ref. no. C5-
SDC/149/KNC/37/2014/931.

This is to bring to your notice that the contents of the letter are not applicable to the practicals in Psychology, for the letter clearly mentions "Sciences". The course in Psychology is B.Tech in Psychological Sciences and it has its own specific norms, ratified by AC and EC.

Thus, the letter is not relevant to Department of Psychology. The workload will be calculated on the basis of the norms provided by the University for B.Tech in Psychological Sciences.

Further, the above mentioned letter from UDSC is in response to the letter sent by Kamala Nehru College ref-KNC/2014/95, dated 5.5.2014. The Department of Psychology had recorded its objections to the gross misrepresentation of facts pertaining to the workload of Psychology Department. The department had been assured by the Principal that any repercussion of the letter will not be applicable to the Department of Psychology.

We, hereby submit that the above facts are for your perusal.

Thanking you,

Yours sincerely,

Psychology Department

Re : Workload of Psychology Department

Madam,

Please find attached the workload of Department of Psychology for the semester July-December 2014. If we adhere to the AC/EC norms, we have a workload of 223 classes. However by virtue of being conservative we submitted a workload of 198 classes.

However, after a series of meetings with Academic committee, Workload Committee & Timetable Committee and on their insistence to reduce our workload, we reworked our workload to that of 173 classes, having compromised on the AC/EC norms.

The workload committee wants us to further reduce it to 153 classes. We wish to inform you that having put our heads together, we are unable to do so. Hence, we are submitting a workload of 173 classes. Any adjustments made in the workload are for this Semester only.

Thanking you,

Yours sincerely,

Psychology Department
