Subject: Request to retain the roster of 9 in  
Mathematics department

Respected Mam,

With due regards this is to bring to your notice that the sanctioned strength of mathematics department is 10 hands. Presently we were working with 8 hands but now considering the choices of papers offered and the practical groups of large size we would like to work with 9 hands atleast. The copy of workload is attached for your consideration.

Kindly consider it and allow us to work with roster of 9.

Thanking You  
Yours Sincerely
