

OUTREACH PROGRAMME Report for SEPT 2020- APR 2021

The outreach programme was undertaken by Dr Shobhana Warriar and Dr Yogeeta Bhatia. It began in September 2020 with a handful of volunteers from Kamala Nehru College and soon we had a total of 30 mentors ready to teach!

Our students came from a bunch of government, feeder and open schools from Hauz Khas to Mayur Vihar of classes 9th to 12th. The mentors were assigned to students on the basis of the subjects they were comfortable teaching. The mentors also maintained their own logbooks which had the following data -

- Classes taught
- Material sent
- Amount of syllabus covered

The classes from September to December were primarily taken over WhatsApp messages, voice and video calls and those who could manage to use Google meet, conducted classes over there. The mentors would take classes with a minimum duration of 1 hour to maximum of 2 hours on the days students were free and had access to phones and internet. The classes were mainly held either after hours of college (eg- 5pm to 6pm) or afternoon classes on weekends.

January 2021 onwards, we experienced the reopening of government schools for grades 10 to 12 and hence, a lot of the students resumed school offline but our mentors still helped them out whenever the students needed by providing them with sample papers, online revision tests curated by them and extra notes for topics the students needed help with.

Feedback from the students -

Sakshi (mentor - Isha)

History was always a boring subject for me. But I enjoyed if someone taught*. You were the one who taught me HISTORY* and just not the history but the daily experiences and all the conversations that we had was not just conversation. But it was something beyond, I was grateful for having a didi like you who taught me history. Yess, I couldn't make that bond that has to be made. Due to time issues and other issues. That's a different one but you never ever told me or stopped me to do things. I remember your line "ki sb spoon me nhi milega" you also have to put efforts and you made myself dependent by this. Thank you for everything let me tell you one secret

(Nobody do itna saara and itna sb kuch especially when we are not known) or we have not met. Soon I pass my 12 I will meet you. And thank you..

(ab rula dogi aap)

Again thank you so much for everything.

And yes I remember our class timings (5:00 to 6:30).

Glows: Each and every topic bhut briefly explain krte ho. Self reading k time dete hi jisme most of the part clear ho jata h. Question aur example se jada clear ho jate h doubts.
Grows: check nhi krte ho ki apne jo pdhaya h mene revise kiya h ya nhi aur notes banaye h.....
